THE MATCHBOX EXTRA 3-colour parts!

Make coloured models without painting!

The Hawker Siddeley Jet Transporter powers away on another RAF mission. With "MATCHBOX" kits you can make the latest jets – or the great names from World War II. And the models will be extra realistic because all "MATCHBOX" kits come in 2 or 3 colours. So you can assemble them without painting and still make gleaming models in colour.

This Hawker Siddeley is in 3 colours. If you want to add the finishing touches yourself, there are 2 paint plans. And 2 sets of transfers. The Hawker is in the 'Orange' range and all the kits in this range are available for only 55p.

Dear Editor,

I would like to tell you about the new indoor, heated swimming pool our school is hoping to build. Here are a few of the things we have done to raise the money to pay for it. We have been on sponsored walks, had a sponsored spelling bee, and now we are collecting old newspapers to sell. We need £10,000 for the pool, and so far we have raised £4,000, so there is still a long way to go yet.

GRACE STADDON, Paignton

Well here's £1 to go towards a new swimming costume for the grand opening . . . Editor.

Dear 'Orrible Hole,

I don't think it's right you should be called "'Orrible Hole" because really you are a good hole. Don't you object to your name?

SHAUN ROBINSON, Hull.

Not at all — I'm in favour . . . er . . . on the 'hole' . . . 'Orrible Hole.

Dear Editor,

I saved up my money, and decided to buy a pogo stick. At first, I struggled to achieve even ten jumps with it. But after a while I improved, and eventually reached 1,054 jumps. I thought I had broken the World record, but when I looked it up I saw it was 36,000 jumps. I was amazed.

GERALDINE KEANEY, Sandycove.

Never mind a pogo stick, you'd need to be a KANGAROO to beat that, I reckon . . . Editor.

Dear Lolly Pop,

Have you got a Grandfather clock? If you have, what would you do if your trouble-making son Archie smashed it?

BEN FOX, Bristol.

Well, he certainly wouldn't be smiling like you are, lad! First of all, I'd CLOCK him one . . . then make him pay for a new clock . . . on "TICK" if necessary . . . Lolly Pop.

Dear Editor,

What is the Innkeeper's name at Scream Inn? Will you please print the answer because I've always wanted to know.

RICHARD WRIGHT, Bristol.

H'm, I'm sure he's only been known as the Innkeeper up to now. But, tell you what — I'll pay £1 to the sender of the name I think suits our crazy character the most . . . Editor.

Dear Editor,

I would like to tell you about my favourite pastime. It is football . . . and the team I support is CHELSEA. Please could you print a photo of one of their players.

JONATHAN BROWN,
Hemel Hempstead.

Here's 'BUTCH' WILKINS . . . the team's talented young skipper. Let's hope he can lead the 'Blues' to promotion next season . . . Editor.

Dear Editor,

Recently I have been begging my Mother to get me a bike with drop-handle bars. After a week of constant asking she's finally given up, and said she will get me one. Then I said: "Can you get me it tomorrow?" She turned to me and asked: "What do you think I am, Ricky, a Bumpkin Billionaire?"

RICKY BUSH, Stockwell.

Pa Bumpkin bought the whole family bikes and was charged £5000! Mind you, he didn't mind being taken for a ride'! Anyway, a £1 postal order is on its way to you to go towards it . . . Editor.

OSSIE

Hi, fans! Ossie calling . . . As I've explained before, we work some weeks ahead with each issue, and at the time of writing this chit-chat I'm caught up in the "anyone for tennis" craze — yes, Wimbledon is on telly. The Big Chief (Old Thingy's boss) has a TV in his room — and I'm finding every excuse I can to go in and sneak a look. I don't know if he's keeping count, but I've taken him in 18 cups of tea already THIS AFTERNOON!

Dear Ossie,

My hobby is collecting autographs. So far I have 38, and 14 of them are of rugby players. Some are famous like Gareth Edwards. Recently my Dad bought a raffle ticket and won a football which had the autographs of all the Bristol City team on it. He also met the manager.

RICHARD JONES, Wells.

With all those autographs, the pound that's on its way to you will probably go towards a new autograph book, eh? . . . Ossie.

Dear Ossie,

I never miss WHOOPEE!/SHIVER 'n' SHAKE because I ask my newsagent to save me a copy. When I have collected a few copies I give them to our neighbour who is a nurse, and she takes the comics up to the hospital where she works and gives them out to the sick children. She says they enjoy reading your comic very much, and the other day I got a letter from one of the older children asking for more WHOOPEE!/SHIVER 'n' SHAKE's.

MONICA THORPE, New Barnet.

Nice letter that, Monica . . . well done! . . . Ossie.

Dear Ossie,

I think you're great. I wish I had lovely curly hair like yours. I'd like you even better if you print this picture of mine. (D'ya like my hat?)

SUSAN ARCHER, St. Cornard.

Glad you like the hair, Sue, and yep, I do like ya hat! . . . Ossie.

Dear Ossie,

This is a picture of me. My Dad took it when I went along with him to work to help operate the photographic machines. I enjoy helping to count the "takings" most of all.

MICHAEL ALLEN, Preston.

Bet you don't need any help to count your takings for having your letter printed . . . Ossie.

Dear Ossie,

My sister Elaine has a pet dog called 'Skippy', and I have a cat called 'Bubbles'. The trouble is Elaine doesn't like WHOOPEE!, and neither does Skippy because he keeps tearing up the comic. But my cat and I love reading WHOOPEE! Bubbles sits beside me when I read it . . . so you have Bubbles as a WHOOPEE! fan, too!

SUSAN MILLER, Romford.

Sounds as if Bubbles has got 'purr'fect taste! Are any other readers' pets fans of WHOOPEE!? . . . Ossie.

Dear Ossie,

Please could you settle an argument between me and my Mum. I think Sir Alf Ramsey did not play for England in the World Cup, but Mum thinks he did. Please can you supply the right answer.

STUART CORAN, Chester.

Oh-oh! You're not going to like me for saying this, pal, but your Mum's right. Alf Ramsey was a member of the 1950 World Cup side. He was Knighted after England won the World Cup in 1966 in recognition of his services as MANAGER of the team ... Ossie.

Dear Ossie,

The other day, whilst eating my lunch, I heard someone laughing from the other room. To my astonishment, sitting on the sofa, laughing her head off, was my 16 year-old sister reading WHOOPEE! So that proves if WHOOPEE! can make my sister laugh, it can make ANYONE laugh!

STEVEN WOOD, Hornchurch.

Glad to hear it, Steven! If your sister laughed her head off . . . I hope you picked it up for her . . . Ossie.

Dear Ossie,

My hobby is watching films, and my favourites are the ones featuring James Bond. The only one I've missed from the series is DIAMONDS ARE FOREVER.

DAVID LIDSAY, Tooting Bec.
